The 4th Annual Symposium of the Institute for Education will be held on **25th October 2023**. The Symposium forms part of the Institute's consultation entitled '**The Future is Now – Educators' Vision for Tomorrow**'.

The Symposium will not only showcase key findings from the consultation exercise carried out earlier this year and provide insights from research that can inform educators' vision for the future but will also provide a platform to discuss these insights with you – the educators.

The programme of the event and the book of abstracts are now available on the [website of the IfE](#).

Please login to the IfE portal and then register through the following [link](#).

We look forward to welcoming you at the Symposium to further our discussion.

Thank you.
